

Charlotte Turner Smith

Celestina

Celestina was adopted by Mrs. Willoughby from a convent in France. No one knows who her parents are. Her secret birth causes problems for her in the marriage market. But this novel is not only a courtship novel. It is about creating and keeping friendships, finding the meaning of family, the difference between love and obsession, and the development of Celestina from a dependent child to a strong woman of virtue. - Summary by Stav Nisser.
